

SPECIAL BULLETIN FOR IMMEDIATE RELEASE****

The Park County Sheriff's Office is investigating a report of a truck that burned up during the evening hours of March 16th or early morning hours of March 17th. The truck was found on Trail Creek Ranch north west of Cody in an area known as "the craters". It appears that unknown persons attempted to run the truck into one of the large craters, but was unsuccessful. At some point the vehicle was set on fire and the vehicle was totally destroyed.

The vehicle is described as a small extended cab truck with a topper. The make of the truck is possibly of foreign manufacture.

Anyone with information of the persons involved is encouraged to contact the Park County Sheriff's Office. An anonymous tip may also be provided by going to www.parkcountysheriff.net and click on the Tip Line tab at the top of the page.
